| 2. | Unicorn Neck | 8. | Right Arm |
| 3. | Unicorn Left Flank | 9. | Élisse Body |
| 4. | Unicorn Right Flank | 10. | Left Arm |
| 5. | Flowers | 11. | Tail Section |
| 6. | Scenic Base | 12. | Tail |

Before assembling the model, wash each part thoroughly with an abrasive brush, such as a toothbrush, to remove any model release agent that may still be on the surface of the parts. Then, remove any excess resin such as mould lines, casting gates, vents and shims. For a more detailed guide to working with resin models, go to the Downloads section of the Warhammer Community website. To glue the resin pieces together, use super glue.
